ICS COVID-19 RE-OPENING PLAN

In addition to the Herron and Riverside High Schools Parent-Student Handbook, please refer to all policies and procedures in the Indianapolis Classical Schools COVID-19 Re-Opening Plan. Items specified in that plan supersede the Parent-Student Handbook and will be updated as necessary throughout the school year based on recent data and decisions regarding school related to COVID-19.

ACADEMIC CODE OF HONOR

Herron/Riverside High School offers a classical, liberal arts college preparatory education based on honesty, respect, responsibility and trust. The Herron/Riverside High School community recognizes the critical role of personal commitment to an honor code. To this end, all Herron/Riverside High School students are expected to strive for and maintain the highest standards of academic integrity. Each year the Herron/Riverside High School Academic Code of Honor will be reviewed by all students. By signing the form, students acknowledge they have read, understood, and accept the Academic Code of Honor. Violations of the Code of Honor will result in academic and behavioral consequences. Students will be informed of our honor code through orientation and Herron/Riverside 101 Activities.

PERSONAL ACADEMIC BEHAVIOR

At the core of the HHS/RHS Code of Honor is the commitment to a culture of honesty, respect, responsibility, and trust. The following policies are intended to help students understand what is expected of them:

- All work submitted must be the student’s own work. This includes, but is not limited to, examinations, tests, drafts, papers, homework assignments, extra credit work, lab reports, etc.
● Students may not copy, wholly or partially, from another student’s paper, notebook, homework, test or exam.
● Students must cite sources if ideas or quotations have been taken from a book, article, newspaper, the Internet or any other media source.
● Online sources follow the same rules concerning plagiarism outlined below, and students must cite electronic sources.
● A student may not turn in the same work for two or more different courses.

WORKING WITH OTHER STUDENTS
Collaborating with other students or completing group projects is a tool that is valuable to the overall education received at Herron/Riverside High School. However, a student may not work with others unless the teacher expressly gives them permission to do so. If a student is unclear about whether or not it is permitted, he or she should assume that collaboration is not permitted.

RESPONSIBLE ACTION
Students at Herron/Riverside High School are part of a community of learners and are expected to make ethical decisions concerning other students’ violations of the Code of Honor. If a student witnesses or has reason to believe that a violation of the Code of Honor has occurred, the student should choose a course of action. Possible courses of action include the following:

● The student is to talk with the student who has committed the violation and urge that student to report himself or herself to the instructor or to any other teacher or administrator,
● The student is to discuss the violation with the teacher of that course, naming or not-naming those involved with the violation, to obtain guidance and to determine further course of action, and/or
● The student is to notify any teacher or administrator of a possible violation, stating the date, time, and specifics of the violation.

It should be noted that teachers and administrators are well aware of how difficult it might be for a student to report a violation, and to this end, a concerted effort will always be in place to protect the identities of those
who come forward to report violations. Students should make every
effort not to tolerate violations of the Code of Honor nor be influenced by
peer pressure, fear of reprisal, or loyalty to friends. Students should
remember that taking action against wrongdoing will build individual
character and add to a stronger Herron/Riverside High School
community.

**VIOLATIONS OF THE HERRON/RIVERSIDE HIGH SCHOOL CODE OF HONOR**

Students must be aware that violations of the Herron/Riverside High
School Code of Honor are not limited to the above stated actions. Any
kind of dishonesty related to academic work will be regarded as a
violation of the Code of Honor. Examples of this would be giving a false
reason for why they were absent on the day of an exam or why their
homework is not finished.

**DEFINITIONS**

**PLAGIARISM**

Plagiarism is offering words, sentences, paragraphs, facts, or ideas of
another person or persons as your own in any academic work turned in to
a teacher. This includes taking three or more consecutive words of any
text found on the Internet and cutting/pasting them into your work or
retyping such from the Internet.

**VIOLATION OF TESTING CONDITIONS AND CHEATING DURING EXAMINATIONS**

It is a violation to use or attempt to use unpermitted materials such as
notes, cards, cell phones, etc. during a test. This includes, but is not
limited to: writing notes on hands or other body parts, desks, and ID tags
to use during the test, sharing test materials with others before they take
the test, looking at someone else’s test or notes during the examination
period, allowing another student to look at your test.

**CHEATING ON HOMEWORK/PROJECTS/PAPERS**
Examples of cheating include copying all or part of another student’s homework, report, or project, or allowing another student to copy your homework, report, project or giving another student answers.

**Unpermitted Collaboration**
Collaboration means working together to share material with other students on homework, projects, research papers, take-home exams or essays when the assignment is intended as an independent project. Collaboration may only happen with the specific authorization of the teacher.

**Submission of Work Prepared for Another Course**
This is defined as turning in the same paper, project, or report in whole or in part to two or more teachers without the consent of each teacher.

**Lying**
Making a false statement with the intent to deceive, such as telling a teacher you finished your homework when you didn’t, telling a teacher that you turned in the work and blaming the teacher for losing it, giving any false reasons for not doing your work, or telling a teacher/parent you were sick the day of a test when you weren’t constitutes lying.

**Failure to Report a Code of Honor Violation**
Knowing that a violation has occurred and not taking action is a violation of the Code of Honor.

**Consequences of Violations of the Code of Honor**
Each violation of the Code of Honor will be reported to the Administration immediately.

**First Offense**
- Student(s) will receive a 0% on the work, regardless of its relative importance in the class (e.g. homework or research paper).
- Offense will be logged in PowerSchool.
- Parents/guardians of the student(s) will be immediately contacted.
- Students will be required to complete a packet of work designed to help students identify and understand plagiarism and its effects, if appropriate.

**SECOND OFFENSE**
- In addition to the above, students will receive a 2-hour detention.
- Administration and parents will meet with the student.

**THIRD OFFENSE**
- In addition to the First Offense consequences above, a meeting with administration and parents will be convened to determine the outcome, which may include but is not limited to detention, loss of credit for the course, suspension, or expulsion.

**GRADING AND COURSEWORK**

**Mastery Learning**
Because high school graduation, college acceptance, and college credit are overwhelmingly determined by student performance on assessments of knowledge, mastery of knowledge becomes the single most important measurable outcome of a student’s experience and must be reflected in a student’s grade. The Herron/Riverside High School Mastery Learning model is specifically designed to distinguish between how a student practices learning and the evidence that a student provides to demonstrate mastery of learning. Herron/Riverside High School believes that 70% of a student’s grade should be determined by performance on Mastery assessments (which include quizzes, tests, standards-based projects and writing activities, etc.), and 30% should be determined by the effort of completing Independent Practice.

Failure to demonstrate mastery in a course in the first semester may necessitate a schedule change for second semester.

The Herron/Riverside High School Mastery Learning model is evident in teacher gradebooks and the Herron/Riverside High School semester grade calculation formula. Every teacher’s gradebook contains two weighted categories: **Independent Practice** and **Mastery Evidence**. Mastery
Evidence is valued at 70% of a student’s grade; Independent Practice is valued at 30% of a student’s grade.

**Remediation**

There are two types of remediation at Herron/Riverside High School: (1) Mastery Evidence remediation during the academic semester and (2) course remediation after a Semester Final Exam.

**Mastery Evidence Remediation during the Academic Semester**

This form of remediation applies only to students in Advanced Placement World History and all non-Advanced Placement classes.

Students in 9th and 10th grade where this form of remediation is permitted are provided with two passes to remediate Mastery Evidence items for up to 100% credit during each nine-week segment of an academic semester.

Students in 11th and 12th grade where this form of remediation is permitted are provided with one pass to remediate a Mastery Evidence item for up to 100% credit during each nine-week segment of an academic semester.

This form of remediation does not apply to any student in an Advanced Placement class except for Advanced Placement World History. Students in classes where this form of remediation is permitted are provided with two passes to remediate Mastery Evidence items for up to 100% credit during each nine-week segment of an academic semester. Each nine-week segment culminates in a Benchmark Exam or Semester Final Exam. Remediation Passes must be used on Mastery Evidence items contained within the nine-week segment when the passes were distributed. Remediation Passes may not roll-over from one nine-week segment to another; if students do not choose to use their Remediation Passes, then the passes will be voided at the beginning of the next nine-week segment. Remediation Passes may not accumulate. Remediation Passes may not be used for Benchmark Exams or Semester Final exams.
Remediation Passes must be used prior to the end of Benchmark or Final Exam week.

To be eligible to use a Remediation Pass on a Mastery Evidence item, students are always first required to meet any course-specified criteria and/or conditions. Course-specified criteria will be identified in the individual course syllabus and may include (but are not limited to):

- Submitting final drafts of standards-based projects and writing activities, project preparation materials, study guides, etc. by identified deadlines
- Presenting speeches or presentations according to scheduled dates and times
- Requiring students to attend as many study sessions during Office Hours or other designated time as the course teacher deems appropriate to prepare the student for the reassessment or remediation

Students who do not meet the course-specified remediation requirements or conditions will not be permitted to remediate a Mastery Evidence item without approval from a member of the Herron/Riverside High School Leadership Team.

**COURSE REMEDIATION AFTER A SEMESTER FINAL EXAM**

After factoring in the Semester Final Exam, students who earn a cumulative semester course grade of 69% or below will not receive a grade or credit in a course. The grade report will indicate NG or “No Grade”. However, if a student (a) passes (with a minimum of 70%) his/her Semester Final Exam and (b) has a cumulative grade that is between 60-69%, the student is eligible to remediate the course grade for a maximum grade of 70% (C-).

Students who meet the eligibility requirements to remediate a course grade of NG will have only two weeks from the end of the semester to work with the classroom teacher where the NG was received in order to remediate his/her NG and raise it to 70%. The student, the student’s parent, or the classroom teacher has the power to initiate the semester NG remediation process. At the end of the two weeks, if the student has not earned a passing grade, the NG will stand, and the student will have to
take the class over during the summer or the following school year in order to earn course credit.

It is important to note that a semester course grade of NG is always the accumulated result of student participation and preparation, attendance, cumulative Mastery Evidence and Independent Practice results, a Benchmark Exam grade (valued at 10% of the overall semester grade) and a Semester Final Exam grade (valued at 15% of the overall semester grade).

*Students in need of essential credits to graduate will be registered by counselors for Summer Academy regardless of the opportunity to attempt remediation at the end of 2nd semester. Successful completion of end-of-semester remediation will allow for a student to un-enroll in Summer Academy.*

---

**Benchmark and Final Examinations**

Semester Final examinations are worth 15% of a student’s final grade. Benchmark examinations are worth 10% of a student’s final grade. Unlike all other Mastery Evidence, students are not allowed to remediate Benchmark and Final examinations.

---

**Summer Academy**

Summer Academy combines Herron/Riverside High School’s Core Values and the Harrison Center’s Global Vision for the Arts to create a unique learning experience. Summer Academy offers course remediation as well as progression opportunities. There are two sessions of Summer Academy. Each session is equivalent to a full semester course. All Herron/Riverside High School behavioral policies and expectations are enforced during these summer sessions. A student may be required to participate in one or both sessions of Summer Academy to remediate one or more core courses in which he/she received an NG during the regular academic year. Parents/Guardians are expected to support the mandatory remediation policy by accommodating the student’s scheduled Summer Academy session with any family plans. Based on entrance placement data, incoming freshman and transfer students whose placement exams and/or transcripts identify skill gaps will be required to attend one or both
sessions of Summer Academy prior to the start of the regular academic year. Please refer to the section on Mandatory Remediation.

**MANDATORY REMEDIATION**

Herron/Riverside High School is committed to individual student success and will work in partnership with families to help students reach their full potential and develop the skills necessary to succeed in college. All students are expected to graduate on time and with a college-ready transcript. Students who receive a final grade of NG in any core subject during the academic year will be required to remediate that course during Summer Academy. At Herron High School, the core subjects are: English, Math, Social Studies, Science, and Latin. Students who are in need of essential credits to graduate must register for Summer Academy regardless of the opportunity to attempt remediation at the end of 2nd semester. Students must attend Summer Academy until the remediation window ends, at which time they may be removed if they remediated successfully and earned a passing grade. Students who do not follow through with appropriate attendance in Summer Academy are demonstrating Academic Insubordination, jeopardizing their enrollment at Herron/Riverside High School per our Mandatory Remediation policy, and are subject to discipline proceedings which may include expulsion.

Incoming students: Due to the rigor and pace of the school’s curriculum, all incoming students will take placement exams during the spring preceding the entrance year. Herron/Riverside High School utilize the NWEA screening exam that assesses prerequisite and grade-level skills for reading, writing, grammar, algebra, and geometry. Based on entrance placement data, incoming freshman and transfer students whose placement exams and/or transcripts identify skill gaps will be required to attend one or both sessions of Summer Academy prior to the start of the regular academic year.

It is the expectation that students and their families adhere to this policy at [http://www.herronhighschool.org/2014/06/25/mandatory-remediation-policy/](http://www.herronhighschool.org/2014/06/25/mandatory-remediation-policy/)
LATE WORK POLICY

To create a college preparatory culture that extends beyond the curriculum, Herron/Riverside High School supports timely completion of academic work. Late is defined as not submitted when due. Students will be provided with two late passes per class per quarter that can be used to submit Independent Practice assignments within two week after the due date for full credit. Extended time passes may not be used for Mastery assignments. Classroom teachers have the ability to determine and notify students of assignments that are not eligible for extended time.

GRADING SCALE

Teachers will use multiple forms of assessment to determine a student’s grade. Student performance on projects, speeches, reports, and other similar performance-based activities will be used. Rubrics, as compared to other forms of assessments, will often be created to determine student performance.

Listed below is Herron/Riverside High School School’s grading scale. All classes use this grading scale. Please note that Advanced Placement (AP) and Honors classes are grade-weighted.

Students may receive an I (Incomplete) for a class if a student has had verified medical issues or documented extenuating personal circumstances that significantly impact the student’s ability to complete the course, with the approval of the student’s teacher, Academic Advisor, and administration. Incompletes must be rectified by the beginning of the following semester or the grade may be changed to an NG and be subject to all policies regarding NGs.
When determining a Grade Point Average (GPA), point values will be assigned to each letter grade and an averaging process will determine the GPA. For further information, students and parents may contact teachers or administrators.

By policy, Herron/Riverside High School does not rank students based on GPA. This is in accordance with the policies of many college preparatory high schools who emphasize strong student achievement. In the instance that class rank is necessary for college admission or scholarships, the academic advisor will work with the student to make a determination.

HIGH SCHOOL CREDITS EARNED IN MIDDLE SCHOOL

Herron/Riverside High School accepts high school math credits earned during middle school, starting with Algebra I. Students must provide Herron/Riverside with evidence of these credits at the time of enrollment. Grades for these courses will be listed as “CR” and will not be included in the GPA, with the expectation that the student will complete higher level math courses in high school to complete diploma requirements.

Courses other than math taken at a high school during middle school years will be credited, subject to approval by Herron/Riverside administration, if a high school awards the credits and an official transcript is submitted. Successful completion of other advanced-level courses in middle school will not be credited but may result in placement in higher level courses, subject to approval/recommendation (e.g. Latin, Physics).
**DROP/ADD**

The first week of the fall semester constitutes the Drop/Add period during which students may submit Drop/Add forms to the Academic Advising office to request a schedule change. Requests with the proper signatures will be considered in the order in which they are received. If the request is approved, the student’s schedule will be updated. After the Drop/Add period is over, students must remain in their scheduled courses. A student who does not complete a course will receive either a W/F for withdrawal failure or a W for withdrawal on his/her transcript. Students may receive a W for documented extenuating medical or personal issues only with approval from the administration. A W will not factor in to a student’s GPA. Students will receive a W/F for all other reasons for not completing a course. A W/F will count the same as an NG in the GPA.

**Honor Roll**

Honor Roll and High Honor Roll will be determined using the following criteria:

- High Honors – A- average or higher
- Honor Roll – B average or higher

**Honors Courses**

Honors-level classes are offered in all core curriculum classes when there is not an equivalent AP class offered. Students who take honors-level courses will take their classes within a standard classroom environment. Requirements for the Honors course will be more in-depth and extended than the requirements for students who are taking the course for standard credit. The honors curriculum is built on the continuum of the Classical Trivium model and Bloom’s Taxonomy.

The decision to take an honors level course is made on the basis of teacher recommendations, student and parent requests, and school administration approval. If a student slips below a B- average, the teacher, parent/guardian, and student should meet to determine if the student is engaging in the appropriate academic level. Students who receive a C or below in an honors-level class for his/her semester grade
may not be allowed to continue the class at the honors level the second semester.

**DISTINCTION CONFERRED UPON GRADUATION**

Herron/Riverside High School will recognize three levels of academic distinction for students upon graduation. Using a student’s final cumulative GPA, distinction will be awarded at these three levels:

<table>
<thead>
<tr>
<th>Distinction</th>
<th>GPA Range</th>
</tr>
</thead>
<tbody>
<tr>

<td>4.2 – 4.39</td>
</tr>
<tr>
<td>Magna Cum Laude</td>
<td>4.4 – 4.59</td>
</tr>
<tr>
<td>Summa Cum Laude</td>
<td>4.6 or higher</td>
</tr>
</tbody>
</table>

**ADVANCED PLACEMENT**

Advanced Placement (AP) courses are entry-level college courses. All students who take an Advanced Placement course are required to take the AP exam for that particular course at the end of the school year. If a student fails to take the AP exam of the course the student is taking, the student will not earn AP credit. College Board, which oversees the Advanced Placement courses and exams, charges fees for each test. Students who qualify for Free and Reduced Lunch will receive a reduction in AP testing fees. The fee schedule for students who qualify for a reduced test fee can be found at [http://apcentral.collegeboard.com](http://apcentral.collegeboard.com). Herron/Riverside High School will work with students and families who believe they might qualify for a reduced test fee. However, the cost of each AP exam is the responsibility of the student and his/her family.

**COLLEGE CLASSES AND COURSES AT OTHER INSTITUTIONS**

Herron/Riverside High School students are expected to complete all coursework at Herron/Riverside. If a situation exists where a student would like to pursue credit from an institution other than Herron/Riverside, permission must be granted by the student’s Academic Advisor prior to enrolling in the course or Herron/Riverside High School will not honor the transfer credit. To obtain this permission, students and
their guardians must submit a Request for Permission to Enroll in an Off-Campus Course form, which is available from the Advising Office. Once submitted, students must receive confirmation that the request is approved before enrolling. Students wishing to study abroad must request permission from their academic advisor with whom they will complete a Study Abroad Graduation Plan and Policy agreement. Herron/Riverside High School does not assume financial responsibility for this coursework nor does it provide transportation to facilitate such coursework.

**EARLY GRADUATION**

Early graduation is not permitted at Herron/Riverside High School. All students are required to take a full load of courses each semester they attend Herron/Riverside High School, including all five core subjects (English, math, social studies, science, and Latin) regardless of graduation progress.

**ATHLETIC ELIGIBILITY**

Rule 18 – Scholarship of the Indiana High School Athletic Association’s General Eligibility Rules pertains to the student athlete’s academic performance. IHSAA Rule 18 states the following:

“…the primary focus of any Indiana secondary school should be to provide educational opportunities for its students in accordance with the requirements set forth by the Indiana Department of Education. This academic training should progress toward an adequate education and ultimately in earning a high school diploma. Participation in interschool programs is a privilege for which reasonable standards should be established and enforced for the educational and personal welfare of the students who participate. If students cannot successfully carry and pass a normal minimum load of formal classroom work and simultaneously undertake the extra demands upon time and energy required by interschool participation, they should postpone their commitment to interschool programs and concentrate time and effort on achieving in the classroom. On the basis of these premises, minimum academic achievement requirements have been established by the IHSAA.”
Rule 18 requires a student to receive a passing grade and earn credit on their most recent Grade Report in at least 70% of the maximum number of full credit subjects that a student can take in order to be eligible to participate in the athletic program.

Students in need of improvement have many opportunities for academic support including Office Hours and Saturday School. Students will be allowed to return to a sports program when his/her most recent grade report reflects the minimum standards.

**TESTING**

**ADVANCED PLACEMENT EXAMS**

AP exams are directly aligned to the AP courses. All students who are enrolled in an AP course are required to take the exam. Students who do not participate in the AP exam will not receive AP credit on their transcript.

**STATE-MANDATED GRADUATION TESTING**

Students will have state standardized testing graduation requirements in several subjects. The state graduation testing requirements vary by cohort and are detailed below.

At the publication of this document, the graduating classes of 2019-2022 will by default be required to pass the Grade 10 ISTEP in Mathematics and English. All students in any of these graduating classes will have the option to opt into the new graduation pathways system which passed through state legislation in the spring of 2018. The state will be transitioning to an ILEARN Biology End of Course assessment which will be proctored to all biology students beginning in the spring of 2019.

**BENCHMARK EXAMS**

All students in grades 9-12 are required to take the designated 1st Semester and 2nd Semester Benchmark Exam in all classes in which they are enrolled.
SEMESTER FINAL EXAMS

All students in grades 9-12 are required to take the designated 1st Semester and 2nd Semester Final Exams in all classes. There are two exceptions:

- Senior final exams, discussed below
- AP students who have earned a 90% in the class by the day of the AP exam

All students in grades 9-12 are required to perform with their greatest academic integrity when taking their required 1st Semester and 2nd Semester Final Exams. Students who intentionally perform below expectation on a 1st Semester and/or 2nd Semester Final Exam in any class may be subject to academic remediation, withholding of grade reports, an Academic Hearing, and/or possible removal from Herron/Riverside High School. Herron/Riverside High School has the right to withhold a graduation diploma from any 12th grade student who intentionally performs below expectation on a 1st Semester and/or 2nd Semester Final Exam in any class during the student’s 12th grade year. Students must take their final exam during their exam period unless they have approval from the guidance department. Students with an excused absence are responsible for rescheduling their exam with their teacher.

Students are not required to attend seminars during final exam week but, if in attendance, must maintain silence in the seminar space to accommodate exam takers in the space.

SENIOR EXAMS – SPRING SEMESTER

Second semester final examinations for seniors will take place during the regularly scheduled class time and in the regularly scheduled classroom on the following dates:

- TBD – A1/A2
- TBD – B1/B2
- TBD – B3/B4
- TBD – A3/A4

FINAL EXAM EXEMPTION

Seniors are exempt from taking the 2nd semester final exam if they have a 90% or above on a date to be determined at midnight. Seniors should
check their grades for each course after that cut-off and begin preparing for all exams they will need to take. On Monday, May 11, Advisory teachers will review all exemptions and required exams with each senior.

**Final Exam Attendance**
All seniors must be in attendance on the days prior to Spring Senior Exams for all classes regardless of their exemption from any exam. During the senior final exam days, seniors are only required to be in attendance during the class of the exam. All other times, seniors must be in seminar or off campus.

- Seniors must stay in the classroom until the end of the period
- Seniors may ONLY be in one of the following places on campus:
  - In the classroom taking an exam
  - Attending class for an upcoming exam
  - In seminar studying for upcoming exams
  - At lunch
- Seniors may not be in the hallways, offices, or any place else on campus.

**Rescheduling Final Exams**
Seniors are not permitted to reschedule their final examinations.

**Underclassmen in Majority Senior Classes**
Underclassmen in majority senior classes are expected to continue to attend the class and participate in enrichment activities which will affect their final grade.

**PSAT**
The Preliminary Scholastic Aptitude Test (PSAT) is administered to sophomores and juniors each year at no cost to the student. The purpose of the PSAT is to acquaint students with the format of the Scholastic Aptitude Test (SAT), and for juniors, the test is used to qualify students as National Merit Scholars.
NWEA

Measures of Academic Progress (MAP) are state-aligned computerized adaptive tests provided by NWEA – Northwest Evaluation Association - that accurately reflect the instructional level of each student and measure growth over time. Tests are administered once a semester to all freshmen and sophomores, but may be administered to upperclassmen as needed.

ACADEMIC SUPPORT

SEMINARS

Seminars are supervised study periods and are an opportunity for students to study, complete Independent Practice, and/or remediate Mastery Assessments. All seminars are staffed by multiple teachers who serve as both monitors of quiet work and resources for extra help within the school day. Students must make use of their seminar to be academically successful. The behavioral expectations for the seminars are the same as for all other academic environments at Herron/Riverside High School.

Students who are absent during regular class during a mastery assessment may have their assessment provided to seminar. Students must take mastery assessments on the day they are provided in seminar. Assessments that are not completed will be returned to the teacher.

FACULTY OFFICE HOURS

Faculty members from each department will be available to help students who need additional academic support before and after school. This support will be offered Monday through Thursday, 8:00-8:45 a.m. and 4:15-5:00 p.m. Morning Office Hours begin promptly at 8:00 a.m. and students are required to stay with their Office Hour teacher until 8:45 a.m. Students may enter campus as early as 7:50 a.m. to visit their lockers and arrive on time. Students arriving after 8:00 a.m. will be allowed to attend after the door monitor calls their teacher to notify them that they will be arriving late. Students who arrive after 8:10 a.m. will be directed to the cafeteria for morning supervision where they may email their teacher for permission to enter late. Afternoon Office Hours begin promptly at 4:15 p.m. After 4:15, students are not permitted to enter Office Hours and will be directed to Fifth Period. Students are
responsible for verifying teacher availability for Office Hours before and after school.

Students who have NGs in classes may be required to attend Office Hours. The specifics concerning this requirement will be communicated to students by his/her Academic Advisor.

There will be no Office Hours offered on days when school is delayed or closed.

**Mandatory Office Hours**

Students who have 4 or more NGs will be required to attend Mandatory Office Hours in coordination with Academic Intervention Plans put in place by the counseling team. Students who do not attend their Mandatory Office Hours may have loss of extracurricular (club and sport) participation privileges as well as assigned detentions to make up for missed time.

**Saturday School**

In order to promote the academic success of all Herron/Riverside High School students, Herron/Riverside High School will offer Saturday School sessions twice each semester from 9:00 a.m. – 1:00 p.m. for students who are struggling academically. Saturday sessions are offered to help students make solid gains academically and to catch up in classes in which they are behind.

**Assignment**

Students may be assigned Saturday School for the following reasons:

- Any student who has **three** NGs in core classes (English, Math, Social Studies, Science, or Latin) or **four** NGs in any classes on the Monday prior to the Saturday School.
- Any student deemed in need of academic support by an Academic Advisor.

Students may also be assigned a Saturday School for disciplinary reasons as discussed in the relevant sections below, including but not limited to
skipping detention, skipping school, and as a consequence of disciplinary Interventions.

Students will be notified in writing of their required attendance by their Advisory teacher on the Tuesday morning prior to the Saturday School and parents will be notified by automated alert.

Students who are assigned Saturday School will be disallowed from participation in all extra-curricular, including athletic, activities while attending Saturday School. All policies of the regular school day apply to Saturday School.

_Herron High School reserves the right to require any student who is in high academic jeopardy to attend any Saturday School. This is especially relevant for juniors and seniors who are at risk of not graduating on time. Families should monitor student grades and plan accordingly if their student is likely to need to attend a designated Saturday School._

**ATTENDANCE AT SATURDAY SCHOOL**

Missing a Saturday School will be considered insubordination and the student will be required to attend two evening sessions the week following Saturday school regardless of extracurricular activities.

If there is a legitimate conflict in being able to attend any assigned Saturday School, a parent or guardian must call their student’s academic advisor to explain the circumstances before the Thursday prior to the Saturday School. Legitimacy of the conflict will be determined by the advisor and alternatives may be offered. Alternatives may include but are not limited to mandatory attendance at office hours or evening sessions.

**SATURDAY SCHOOL DATES**

It is recommended that parents take note of the Saturday School dates below and not schedule or plan events that will conflict with those Saturdays. This is especially recommended for parents with students who have historically struggled with passing their classes.
SPECIAL EDUCATION SERVICES

Herron/Riverside High School embraces an inclusion model in which students with special needs are included in general education classrooms for all or most of the school day as deemed appropriate. Additionally, support and accommodations are available to students in the resource department during a directed study time called seminar. Support and accommodations are also provided via a push-in model in which classes may be co-taught by a general education teacher and a special educator or based on individual students’ needs and established accommodations. The resource department supports students who qualify for Individualized Education Plans - IEPs, and 504 plans. More information about Special Education is available from the Special Education Coordinator.

Regular and punctual attendance is vital for students to achieve academic success. Herron/Riverside High School students are expected to have regular and punctual attendance in order to develop habits of responsibility, punctuality, and self-discipline. Attendance is a requirement under the laws of Indiana as expressed in the Compulsory Attendance Statute (I.C. 20-33-2).

Ensuring that students consistently attend class on a daily basis is a responsibility that is shared by students, school officials, parents/guardians, and the general community. Students should arrive fifteen to twenty minutes prior to the start of school to ensure they have ample time to visit their lockers and prepare for their day.
**PERFECT ATTENDANCE**

Perfect attendance will be awarded at year-end to recognize students without any excused or unexcused absences.

**EXCUSED ABSENCES (AE)**

Excused absences are defined as absences for legitimate reasons for being out of school. Parents should provide written notice of the cause of absence within 48 hours. Parents should email attendance@herronhighschool.org or attendance@riversidehighschool.org to report an absence before the beginning of the school day on the day of the absence. Parents may also call the student services desk by the beginning of the school day on the day of absence. Per Indiana Department of Education guidelines, these include:

All Independent Practice and Mastery assignments due during an unexcused absence will be marked with a grade of zero (0) without possibility of make-up.

HABITUAL ABSENTEEISM & TRUANCY
Students who are absent unexcused (AU) ten days or more from any class within a school year are considered habitually truant and may face the loss of motor vehicle operator’s license privileges, referral to the Marion County Juvenile Prosecutor for truancy, referral to the Department of Child Services for educational neglect, expulsion, and/or any other actions deemed appropriate and necessary by the administration.
**CHRONIC ABSENTEEISM**

Students who miss ten days of school or ten periods of any class for any reason, excused or unexcused, will be subject to review by the Assistant Head of School in cooperation with the Advising Office and the Resource Department. Families will receive written and verbal notification of student absences prior to this review. Possible outcomes include parent-student Intervention, forfeiture of credit for the semester, referral to the Department of Child Services for educational neglect, expulsion, and/or any other actions deemed appropriate and necessary by the administration.

**PARENTAL RESPONSIBILITY**

Under I.C. 20-33-2, it is unlawful for a parent to fail to ensure that the parent’s child attends school. **Tardiness is defined as not being seated when the bell sounds.**

**EXCUSED TRANSPORTATION TARDIES (ET)**

Recognizing that even the best plans can be upended by unknown and uncontrollable variables, students with legitimate reasons for being tardy
to school first period may receive an excused transportation tardy for the following reasons:

- Late bus for normal route, accident on bus route, or mechanical failure (verified with IndyGo)
- Motor vehicle mechanical failure or accident (verified by parent/guardian)

Students may not visit their cars or the parking lot during lunch or any other part of the school day for any reason. Students who have items that do not fit in their lockers and that are necessary for the school day (e.g.
icon paintings, sculptures, etc.) should make arrangements with their teacher and/or administration to find suitable temporary storage. Students who are found to visit their vehicles during the day will be directed to the Assistant Head of School and may be subject to search.

**EARLY DISMISSAL**

No student is permitted to leave school early at any time without both parental permission and administrative approval. Parents must submit a request to be approved by the administration via written note, email, or phone call to Student Services if they need to release their student early from school. Students who fall ill must be released by the school nurse and may not dismiss themselves or call their parents for dismissal. It is imperative for the safety of all involved that students do not bypass the school medical services. Students who do not follow the proper procedure will not be released by the administration and may face disciplinary action including but not limited to detention or suspension.

Students will not be released from class prior to parent/guardian arrival when leaving school early for approved purposes. BATHROOM PASSES
Students are provided with six minutes to transition from class to class and bathrooms can be found on every floor of all three buildings, including the cafeteria. Students should strive to make use of the bathroom during passing periods and lunch to minimize the loss of instructional time. During class, students must sign out and in on each classroom’s log sheet to be granted a pass to the bathroom. Students who abuse this privilege may face consequences including the loss of bathroom passes, detention, and/or other actions as deemed appropriate by the administration.

NURSE PASSES
Students may only visit the clinic with a pass signed by a teacher or administrator and only in cases of exceptional need. Students without a pass will not be evaluated by the school nurse and will be redirected to class.

**Title IX and Anti-Harassment Statement**

Herron/Riverside High School does not discriminate on the basis of sex in its educational programs and activities or tolerate sexual harassment. Sexual harassment includes sexual violence and any other harassment based on sex. Any student who believes he or she has been subjected to sexual harassment is encouraged to report the incident(s) to school officials. Herron/Riverside High School is committed to conducting a prompt investigation. Students and/or parents may file a complaint of sexual harassment by contacting any member of school leadership, including an advisor, a teacher, or the school's Title IX coordinator. Complaints of sexual harassment may be made verbally, in person or by phone, or in writing by email or mail, or by submitting the complaint in writing and handing the document to one of the people listed in this document.

Members of the school's Leadership Team and the Title IX Coordinator are responsible for investigating complaints of sexual harassment. Investigations will be launched immediately upon the filing of a complaint and will be completed promptly. In many cases, investigations may be resolved within five school days, but in some situations, the investigation may require up to 60 days to complete. Both parties will be notified in writing of the outcome of the investigation.

Investigations and determinations will be based on a preponderance of evidence in accord with Federal requirements. Appropriate disciplinary sanctions of individuals who engage in sexual harassment will be
implemented, and may include suspension or expulsion of a student and suspension or termination of an employee. A complete Policy Regarding Sexual Harassment and other Unlawful Harassment has been distributed to all students and is available on our website.

Students or employees who retaliate against individuals who report sexual harassment will be promptly disciplined. The school's Title IX coordinator, Karen Lalioff, will be responsible for ensuring that the school complies with and carries out its responsibilities under Title IX, including investigation of complaints alleging noncompliance with Title IX. HERRON/RIVERSIDE HIGH SCHOOL POLICY REGARDING SEXUAL AND OTHER UNLAWFUL HARASSMENT

Herron/Riverside High School is committed to maintaining a school environment free of unlawful discrimination and harassment. Each individual has the right to learn or work in a safe atmosphere that promotes equal opportunities and prohibits discriminatory practices, including harassment. Therefore, Herron/Riverside High School expects that all relationships among persons on campus will be respectful and free of bias, prejudice, and harassment. All members of the Herron/Riverside High School community share responsibility for preventing, discouraging, and reporting any form of unlawful harassment.

DEFINITIONS OF HARASSMENT

SEXUAL HARASSMENT
Sexual harassment of any kind is in total disregard to the culture of Herron/Riverside High School and will not be tolerated. Sexual harassment constitutes discrimination and is unlawful under federal, state and local laws. Sexual harassment may include a range of subtle and not-so-subtle behaviors and may involve individuals of the same or different
gender. Depending on the circumstances, these behaviors may include, but are not limited to:

- Unwelcome sexual advances, leering, sexual flirtations or propositions
- Sexual slurs, epithets, verbal abuse, derogatory comments or sexually degrading descriptions
- Graphic verbal comments about an individual's body, or overly personal conversation.
- Sexual jokes, stories, drawings, pictures or gestures, including digital media
- Spreading sexual rumors
- Teasing or sexual remarks about students enrolled in a predominantly single-sex class
- Touching an individual's body or clothes in a sexual way, or in a way that may be construed as sexual
- Purposefully limiting a student's access to educational tools
- Cornering or blocking of normal movements
- Displaying sexually suggestive objects or images in the educational environment or via social media
- Any act of retaliation against an individual who reports a violation of the school’s sexual harassment policy or who participates in the investigation of a sexual harassment complaint
- Request for sexual favors regardless of the seriousness of the request, i.e. to say “I was just joking” does not excuse the statement

Not all behavior with sexual connotations constitutes unlawful sexual harassment. All reports of harassment will be promptly investigated by the Herron/Riverside Disciplinary team and addressed in accordance with disciplinary policies or Title IX procedures. Behavior that constitutes unwelcome conduct determined by a reasonable person to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to the recipient's education program or activity; or "Sexual Assault," "Dating Violence," "Domestic Violence" or "Stalking" as defined in the Clery Act will be investigated as a Title IX violation.
NON-SEXUAL HARASSMENT

Harassment on the basis of any other protected characteristic is also strictly prohibited. Under this policy, harassment is verbal or physical conduct that derogates or shows hostility or aversion toward an individual because of:

- His/her race, color, religion, national origin, ancestry, citizenship status, sex, sexual orientation, gender identity, marital status, age, disability, military service or veteran status, pregnancy, childbirth or related conditions
- Any other characteristic protected by law, and that:
- Is sufficiently severe, pervasive, and persistent such that it adversely affects an individual's education, or such that it creates a hostile or abusive educational environment.

Harassing conduct includes, but is not limited to: epithets, slurs, or negative stereotyping; threatening, intimidating or hostile acts; derogatory jokes; and written or graphic material that derogates or shows hostility or aversion toward an individual or group or that is placed on walls, elsewhere on the school premises, or within social media.

DEFINITIONS OF SEXUAL VIOLENCE

Sexual violence is a criminal matter and includes, but is not limited to; rape, sexual assault, sexual battery, sexual coercion; or “any sexual act directed against another person, forcibly and/or against that person’s will; or not forcibly or against the person’s will where the victim is incapable of giving consent.” Victims of sexual violence are strongly encouraged to report the matter to law enforcement agents immediately. Victims should also file a complaint and request a Title IX investigation (Title IX of the Education Amendments of 1972 prohibits discrimination and harassment based on sex) by school officials, whether the incident occurred on or off campus, if the act of violence was perpetrated by a student or employee of Herron/Riverside High School. In all cases, victims of sexual violence will be directed to seek services from community crisis counseling providers.
INDIVIDUALS AND CONDUCT COVERED
These policies apply to all students and employees of the Herron/Riverside High School community, including persons hired to provide contracted services and persons volunteering at school activities. Conduct prohibited by these policies is unacceptable in all academic, educational, extracurricular, athletic, and other programs of the school, whether those programs occur on campus, on a bus, or at another location away from campus. Individuals who violate these policies will be subject to disciplinary action, up to and including suspension or expulsion (if a student) or suspension or termination of employment (if an employee), and in egregious situations, law enforcement officials will be notified.

In accordance with its obligations under federal law, Herron/Riverside High School reserves the right to investigate reports of harassment occurring between students and other members of the school community, regardless of whether the alleged harassment occurred on or off school grounds; during or outside school hours; or using school-owned or personally-owned electronic devices (e.g., postings to digital media and electronic forums such as Twitter and Facebook or text messages).

Courts have struggled to strike a balance between safeguarding students’ First Amendment rights and protecting the authority of school administrators to maintain an appropriate learning environment. However, in keeping with Herron/Riverside High School’s mission to create world-class citizens, and in accordance with provisions in the school’s Acceptable Use Policy, students are prohibited from using school computers or the school network to harass others, whether the harassment occurs on or off campus. The full range of disciplinary actions outlined in the Student Handbook may be applied, including detention, restrictions on computer use, suspension, and expulsion.

RETALIATION IS PROHIBITED
Herron/Riverside High School encourages reporting of all perceived incidents of discrimination or harassment. It is the policy of Herron/Riverside High School to investigate such reports. Herron High School prohibits retaliation against any individual who reports discrimination or harassment or participates in an investigation of such reports.
Retaliation against an individual for reporting harassment or discrimination or for participation in an investigation of a claim of harassment or discrimination is a serious violation of this policy and, like harassment or discrimination itself, will subject an individual to disciplinary action. Acts of retaliation should be reported immediately and will be investigated and corrective action taken promptly. Corrective action may include suspension, expulsion and in egregious situations, the involvement of law enforcement officials.

**COMPLAINT PROCEDURES - REPORTING AN INCIDENT OF HARASSMENT, DISCRIMINATION, SEXUAL VIOLENCE OR RETALIATION**

Herron/Riverside High School encourages reporting of all perceived incidents of discrimination, harassment, sexual violence or retaliation, regardless of the offender's identity or position. Herron High School encourages the prompt reporting of complaints or concerns so that rapid and corrective action can be taken. Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment. All employees of Herron/Riverside High School are required to immediately report in writing to the school's Title IX/Harassment Coordinator suspected discrimination, harassment, sexual violence or retaliation of a student regardless of whether it is based on the employee's own observations, on information from the student, the student's parent, or a third party. An employee who observes such acts is expected to intervene, unless circumstances would make such intervention dangerous. All complaints of discrimination, harassment, sexual violence or retaliation will be investigated.

**FORMAL COMPLAINT PROCEDURE**

If a complaint is not resolved through the informal complaint procedure, or if an individual elects to file a formal complaint initially, the following formal procedures will be followed.

An individual who believes he or she has been subject to discrimination, harassment, sexual violence or retaliation may file a formal complaint, orally or in writing, with the Title IX/Harassment Coordinator. If a report is made to any other employee of Herron/Riverside High School, orally or in writing, about any complaint of discrimination, harassment, sexual
violence or retaliation, the employee must immediately report that information to the Title IX/Harassment Coordinator. Complaint forms can be found in the offices of Advising, Assistant Head of School, and the Title IX Coordinator.

All allegations of harassment, discrimination, sexual violence or retaliation will be investigated promptly. Members of the school’s Leadership team and the Title IX/Harassment Coordinator are responsible for investigating complaints. This team includes Jonathan Harris, Vice President, Academics; Deb Cooney, Vice President, Operations; Juli Woodrum, Vice President, Chief Financial Officer; Tenika Holden-Flynn, Head of School, Herron High School; Atticus Westerfeld, Assistant Head of School, Herron High School; Rachelle Klinger, Assistant Head of School, Herron High School; Katie Dorsey, Head of School, Riverside High School; Emanuel Harper, Assistant Head of School, Riverside High School; Karen Lalioff, Title IX/Harassment Coordinator;

Herron/Riverside Title IX investigation procedures are under review in order to ensure they are in line with newly released federal regulations. After the review is concluded, investigation procedures will be made available online and included in future communications with Herron/Riverside stakeholders.

Where there has been a policy violation, Herron/Riverside High School will make every reasonable effort to stop any conduct in violation of these policies and prevent recurrence. Where appropriate, Herron/Riverside High School will also take steps to remedy the effects of any violation. Some examples of such remedial measures include: the provision of counseling and/or academic support to the victim or recalculating certain course grades. Any appropriate remedial measures will be determined on a case-by-case individualized basis.

**CONFIDENTIALITY AND RECORDKEEPING**

Herron/Riverside High School will make all reasonable efforts to protect the privacy of all parties involved in an investigation and to keep the complaint and investigation confidential. Confidentiality, however,
cannot be guaranteed. For example, some details or identities may need to be revealed in order to fully investigate the complaint.

In accordance with its regular recordkeeping practices, Herron/Riverside High School will maintain records of all complaints of discrimination, harassment, sexual violence or retaliation.

**False Claims of Sexual Harassment, Retaliation, and/or Discrimination**

In order to cover all possibilities of misconduct, Herron/Riverside High School reserves the right to discipline students who have falsely accused another of harassment, sexual violence, retaliation, and/or discrimination. This does not mean that a complaint will be considered "false" solely because it cannot be corroborated. Disciplinary action for making false claims may include suspension or expulsion.

**Conclusion**

Herron/Riverside High School has developed these policies to ensure that all its students can learn in an environment free from harassment, discrimination and retaliation. Herron/Riverside High School will make every reasonable effort to ensure that all necessary persons are familiar with these policies and aware that any complaint in violation of such policies will be investigated and resolved appropriately. This expectation is based on our desire to encourage curiosity, service, and

COMMUNICATION

COMMUNICATION WITH ADMINISTRATION
Unexpected interruptions can seriously and negatively impede the progress of building a world-class high school; therefore, it is necessary for parents to call the school in advance to make an appointment to meet with school personnel. Walk-in appointments cannot be facilitated. Please call at least two days in advance of an expected appointment time. If there is an urgent issue or an emergency that requires a meeting more quickly, please let the Student Services Coordinator know about the circumstances.

COMMUNICATION WITH STUDENTS
Telephone calls are not to be made by students during class time. All necessary arrangements for the student’s day, including transportation home, should be made before arriving to school. A school telephone is available for emergency student use at the Student Services desk. Students are not allowed to use the telephones in the classrooms. Students who wish to bring a cell phone to school must keep it in his/her locker during the school day and assume all risks against theft, damage, and loss. Seniors who do not request a locker must keep their cell phone out of sight in their backpack or pocket. It may not be used for any reason during school hours.

Parents must contact the Student Services Coordinator if there are any changes to their student’s daily schedule. The Student Services Coordinator will notify the student. Parents should not, under any circumstances, attempt to contact their student on their personal cell phones during school hours.

COMMUNICATION WITH TEACHERS
Parent/Teacher conferences are scheduled throughout the school year (see school calendar). If a parent wishes to request a meeting with his/her student’s teachers, the parent should email the teacher and/or call the school to schedule an appointment. Herron/Riverside High School believes that parent/guardians and school personnel should work together as a team to ensure the success of all students. Faculty email addresses are available on our website.

**Parent / Guardian Classroom Visit Policy**
Parents or guardians wishing to schedule a classroom visit should review the policy found on both Herron and Riverside’s websites.

**PowerSchool**
Herron/Riverside High School uses PowerSchool for many record keeping functions of the school. Parents/guardians and students will receive a PowerSchool password that will enable them to check their student’s academic progress and attendance via [http://herron.powerschool.com](http://herron.powerschool.com). PowerSchool is an important and critical tool for parents to stay aware of their student’s grades. A user guide is available on Herron/Riverside High School’s website. Grades are updated every Sunday evening by midnight.

**School Newsletter**
The Herron/Riverside High School newsletter is published weekly and is distributed via email. Parents who do not have an email address should request a hard copy of the newsletter from the Student Services Coordinator. Important school information is communicated through this newsletter, and all parents and students should read it each week. The weekly newsletters are archived on the Herron/Riverside High School website.

**Website**
Herron/Riverside High School maintains a website at [www.herronhighschool.org](http://www.herronhighschool.org) and [www.riversidehighschool.org](http://www.riversidehighschool.org). Parents and students are encouraged to check the website regularly for information on announcements, special events, and changes to the schedule.

If students need additional support services they may contact their designated School Counselor or the Director of Community Relations. Extended services include support for:
- Depression
- Anxiety
- Grief Counseling and Support
- Substance Abuse Counseling

INTERNSHIP PROGRAM

Herron/Riverside High School’s internship program is rooted in the belief that community involvement is critical to the future success of our students.

Student interns benefit by gaining real-world work experience during their senior year. Students will have the opportunity to explore fields of interest as they develop skills in professionalism, collaboration, and creative problem solving. Students will receive up to one credit hour (each semester) for their participation in the internship program. Students will have the opportunity to work at the internship 6-8 hours per week (or more pending approval from the internship supervisor).

Internship work hours are: 9 am – 12:00 pm (Monday/Wednesday or Tuesday/Thursday) and 1:00 pm – 4:00 pm (Monday/Wednesday or Tuesday/Thursday).

Work hours on Friday will be determined by internship supervisor. Interns will perform appropriate tasks assigned. Student internships are based on student interest, which will allow them to learn about the many facets of an organization and how different departments collaborate. Students are not compensated monetarily while in the internship program.
At the end of the student’s junior year, he/she may apply and submit an application indicating their interest in an internship. In addition to the application, the following will be factored into the decision to grant the student an internship:

- Current and historical grades and cumulative GPA
- Attendance record
- Disciplinary history
- Teacher recommendations
- Community involvement including extracurricular activities and volunteerism

**LOCKERS**

Herron/Riverside High School reserves the right to search lockers at any time. A locker will be assigned to each student grades 9 through 11. Seniors will have the option of having a locker assigned to them. If a senior chooses not to use a locker, they are still required to follow all other school rules regarding backpacks and cell phones. Students are expected to take proper care of their assigned locker. Locker combinations are to be kept confidential, and lockers are to be kept locked when not in use. Students are to request approval to exchange locker assignments from an administrator and are prohibited from sharing lockers. Any costs associated with damage to lockers through misuse may be charged to the student/parent. Students who intentionally jam their lockers so that they do not have to use a combination to open it are assuming the risk of their property being stolen from the locker. Failure to adhere to this rule could result in the loss of property and the loss of locker privileges. Herron/Riverside High School is not responsible for loss of property removed from lockers; therefore, students should not bring valuables on to school property nor store them in their locker. Persons found tampering with a locker other than their own will be subject to disciplinary action.

*Lockers are the property of Herron/Riverside High School. Herron/Riverside High School reserves the right to search a student’s locker and its contents at any time and without prior notice for any reason or no reason at all.*
LOST AND FOUND

All unclaimed items left on or around the school grounds will be placed in the Lost & Found. At the end of each month, all unclaimed items will be donated to charity.

LUNCH AND BREAKFAST POLICY

Herron/Riverside High School offers all students lunch at an affordable price. Herron/Riverside High School participates in the federal Free or Reduced Lunch Program. Families are required to fill out the Free or Reduced Lunch form every year. Eligibility for Free or Reduced Lunch must be renewed each year. Students who qualify for the Free and Reduced Lunch program also qualify for free or reduced breakfast, textbooks, AP testing, SAT and ACT exams, college application fees, bus passes, technology, and possible other benefits.

Students are allowed to charge lunch each day to their lunch account. It is the responsibility of the family to ensure that the student has money in his/her account. Families will periodically be sent reminders of negative balances.

Students who qualify for the Free and Reduced Lunch program receive the assistance when purchasing a full lunch consisting of one entrée, 2 sides, and a carton of milk. The full lunch must be purchased, lest the student be charged a la carte prices. Any additional lunch items beyond the full meal will be charged to the student’s account. It is the responsibility of parents/guardians to communicate to their student permission to purchase additional items from the menu and to provide funding in the student’s account. The school’s lunch management system does not allow us to deny lunch or a la carte purchases based on parent request.

Students may deposit money into their lunch account at Student Services before or after school any day. Herron/Riverside High School accepts cash, check, and credit card. Families may also make lunch deposits online using the “Pay Now” link at the top right hand corner of the Herron/Riverside High School webpage. Money may also be deposited with the lunch attendant during their lunch period. The administration encourages families to pay by check so that students do not have to carry
large sums of money. When a student pays into his/her lunch account, the money is credited to the student’s account, and the student’s lunches are redeemable by the student’s presentation of his/her student ID at the lunch line.

**PARKING**

Herron/Riverside High School has limited parking space. Students are encouraged to walk, ride their bicycles, carpool, or use IndyGo. Students are highly discouraged from parking on the streets near school, as they are not secured by Herron/Riverside High School, and it is disruptive to the residents.

Students who drive to school should register for a Herron/Riverside High School Driver placard. This allows us to notify students directly if their car is not in a secure area of the community.

In order to obtain a Herron/Riverside High School Driver placard, student drivers must agree to the rules and policies below and sign the registration form, which is available at Student Services.

The school retains the authority to conduct routine patrols of any vehicle parked on school grounds. The interior of a student’s vehicle on school premises may be searched if the school authority has reasonable suspicion to believe that a search will turn up evidence that the student has violated or is violating either the law or school policy. Violations may result in the loss of parking privileges, parking tickets, and/or towing at the owner’s expense.

Transcripts for college applications are processed through Naviance by the College Advisor.

VISITORS
During school hours, all visitors to Herron/Riverside High School are required to wear a badge and sign the visitor log upon arrival and departure. Permission to attend a student’s class must be issued by the administration in advance of the visit. Parents and/or guardians should request permission at least 48 hours in advance if they would like to sit in on their student’s classes. Parents who wish to meet with teachers should refer to the Communication with Teachers section of the handbook.

WORK PERMITS
Herron/Riverside High School offers the service of issuing work permits to its students. To request a work permit, students must first complete an Intention to Employ form--available at Student Services or on the school website--and deposit it in the Student Services drop box. Work permits will only be issued if the student has permission from their academic advisor. Every effort will be made to issue the work permit in a timely manner with a minimum turnaround of 24 hours.

SCHOOL MEDICAL SERVICES
The school clinic is open during school hours. In order for a student to receive medical services (including medication administration), a consent form must be on file in the clinic. If the consent form is not on file then the student cannot receive medical services at the school. The consent form is available in the clinic and on the school website.

CLINIC VISITATION
It is imperative that students be in class as much as possible in order to be academically successful. When a student is truly unable to remain in the classroom, the teacher will send the student to the clinic with a time-stamped pass. The school nurse will evaluate the student and determine the appropriate course of action, which may include but is not limited to returning the student to class or calling a parent for retrieval. At no time should students call parents/guardians to pick them up when they feel ill. Only the school nurse has the authority to make that determination.
Students who do not visit the nurse but call for a parent to retrieve them will be marked with an unexcused absence and may face additional disciplinary action.

**MEDICATIONS**

In order for both prescription and over-the-counter medications to be administered, Herron/Riverside High School requires a signed Herron/Riverside High School Medication Consent Form, which can be obtained from the school clinic.

Prescription medications are to be given by the instructions on the label. The label must include the student’s name, physician’s name, dosage, and time to be given.

Over-the-counter medications are to be given according to the manufacturer, unless there is a physician’s order stating otherwise.

All medications must be in the original containers. Medications brought in baggies or other containers are not acceptable and will not be administered.

Students are not allowed to possess or self-administer prescription or over-the-counter medications, unless they have been diagnosed with a chronic disease or medical condition by a physician.

**CHRONIC DISEASE OR HEALTH CONDITIONS**

Students diagnosed with chronic diseases or health conditions may possess and self-administer medications if the following conditions are met:

- The parent has filed an authorization form annually for the student to self-possess and administer the medication (located on the Herron/Riverside High School Emergency Form for epi-pens and inhalers).
- A physician states in writing the disease or condition for which the physician has prescribed the medication.
A physician states in writing the student has been instructed on the purpose of the medication, understands the appropriate method and frequency to self-administer the prescribed medication.

*Indiana State Law prohibits the school from sending medications home with students. Medications can be picked up during school hours. Any medications not picked up by the end of the school year are disposed of.*

- **Head Lice** - A student must be treated with pediculocidal shampoo and he or she can return to school once all nits (lice eggs) have been removed from the hair. The student’s return will require clearance from the school nurse.
- **Fever** - temperature of 100°F or above. Student may return to school if there has been no fever in the preceding 24 hours.
- **Mononucleosis** - can be determined by diagnostic lab tests. Student may return after acute symptoms have disappeared. Please inform the school of any physical restrictions on activities.
