

Dear Students, Family, and Friends of Riverside High School,

Welcome to the website for the Argonaut Athletic Department. Included below is important information for all athletes and families of Riverside!

Athletic Coordinator

Welcome to Riverside High School! We couldn't be more excited about the opportunities our scholars will have with our athletic programs. My name is Rusty Hughes, and I will serve as both the Athletic Coordinator and Science teacher at Riverside. I am originally from Plainfield, IN. I graduated from Purdue University earning a degree in chemistry. Afterwards, I earned teaching certification from IUPUI where I played collegiate baseball. This fall will mark my 22nd year as a teacher, the fifth within the Herron community. I started teaching and coaching baseball at Herron in 2014. The years I spent as a student and did not compete in some form of athletics were the worst for me. I needed athletics to thrive and I couldn't be more excited to enrich our community with a vibrant, committed, and competitive athletic program.

Sport Offerings

Like the school itself, the athletic department and sport offerings will grow over the next four years and will be based on student interest. This year we are pleased to announce the following offerings:

Fall Season

- Cross-country (boys & girls)
- Soccer (boys/girls; depending on numbers, this may be co-ed)
- Girls Volleyball
- Golf (this will be a co-ed golf club)

Winter Season

- Basketball (boys & girls)

Spring Season

- Track (boys & girls)
