⚓ THANK YOU ⚓

Thank you to all the ICS families, faculty, staff, supporters and friends on a very successful Soirée! Not only did we meet our fundraising goal of \$30,000, but we also exceeded it by more than \$8,000! This year's event was our biggest and had the highest attendance to date!

Special thanks to all who served on the planning committee, those who donated desserts and auction items, who volunteered before, during, or after the event, and to everyone who lent their talents as designers, decorators and performers!

We say this all the time, but **WE COULDN'T DO IT WITHOUT YOU!**

Indianapolis Classical Schools and Claude McNeal Production Presents Into The Woods

With a cast that includes some of the most talented scholars Riverside High School and Herron High School has to offer, this year's Indianapolis Classical Schools' Musical, ***Into The Woods*** is sure to be a rousing success!

The show will open April 19 and run through April 28, 2019 in Herron High School's 2nd floor theatre.

Performance times are 7:00 PM (doors at 6:30) on Friday and Saturdays and 2:30 PM (doors at 2:00) on Sundays.

Last year's musical, *Once Upon A Mattress* sold out every performance, so get your tickets now!

General Admission tickets are \$10.00 for adults and \$5.00 for students. Reserved seats can be purchased for \$15.00. Tickets will also be sold at the door, as long as they are available.

Advance Sale Tickets can be purchased [here](https://intothewoodsics.eventbrite.com) or at:
<https://intothewoodsics.eventbrite.com>

Mandated Hearing Screening For All 10th Grade Students

The Marion County Public Health Dept. provides state mandated hearing screening services for all students in the tenth grades. Riverside HS Nurse has scheduled this screening for Monday, March 18 during school hours. If your child wears hearing aids, the screening will be completed with the hearing device, please be sure he/she is wearing it. If your student has a pre-existing medical condition and is under the care of a physician, please let the nurse know.

The parent/guardian has the right to decline this service for your child. If you do not want the Health Department to conduct a hearing screening on your child, please [this form](#) and return it to the nurse.

Please contact Tina Troutman, Nurse at 317-231-0010 or ttroutman@riversidehighschool.org, if you have questions or concerns.

Project STEM Summer Research Program for Girls

The Project STEM Residential High School Summer Research Program is an opportunity for high school girls interested in STEM fields to experience research first-hand at a college level while also getting to know Indiana University.

This three-week long program will begin on Sunday, July 7 and end on Friday, July 26. Housing in an IU residence hall and meals will be provided. At the end of the program, participants will present a poster of their work along with other high school and college students doing research over the summer. Students will complete safety training at the start of the program and attend college planning workshops.

The high school girls will receive guidance from faculty and graduate researchers to experience a realistic research setting at a college level. The IU Foundation Well House Society sponsors this program. If you have any questions regarding the Project STEM Residential High School Summer Research Program, feel free to reach out to the Director of the Women in STEM Living Learning Center, Melissa Blunck, at iuprojectseed@gmail.com or (812) 856-9833.

The application deadline is April 1, 2019. For more information, go to <https://engagedlearning.indiana.edu/project-stem-summer-program.html>.

Support HHS/RHS @ IPS Superintendent Search Community Forum on Wednesday!

As you may know, Herron and Riverside partner closely with IPS as Innovation Charter Schools. This partnership has a lot of benefits, not the least of which is more per-pupil funding.

As such, Herron and Riverside High Schools have a vested interest in the choice of IPS's new superintendent. We need 20 parents/guardians to take part in the last input session this coming **Wednesday, March 13** from 6-8 PM, at George Washington Carver Montessori School 87. We have had good interest so far, but still need more parents to sign up. Will you help us out?

We're using SignUp.com to organize volunteers. Just go to: <http://signup.com/go/tzgwDLw> and review the open spots. You will NOT need to register an account or keep a password on SignUp.com.

Note: SignUp.com does not share your email address with anyone. If you prefer not to use your email address, please contact me and I can sign you up manually.

Thank you for your support!

Local Food Pantry Offering Help to Riverside High School Families

Rainbow House, a food pantry run by Ebenezer Baptist Church, located at a house at the southwest corner of 19th and Dexter is open on Thursdays from 8:00 - 12:00. For more information, call 317-631-5946 or email info@ebenezerchurchindy.org

The poster features a photograph of two young women in a laboratory setting, one pointing at a device. The text on the poster is as follows:

Project STEM
HIGH SCHOOL SUMMER
RESEARCH PROGRAM

A faculty mentored summer research program for girls in grades 9 through 12. Housing and meals are provided.

July 7 through 26, 2019
Application Deadline April 1

A Closer Look At The Numbers and Why We Need Everyone to Participate

During ICS' first quarter as a recipient in the Kroger Community Rewards program, we had 35 households participating and earned \$125.52. Just six months later, our number of households had quadrupled, and so had our earnings! We now stand at 170 households participating and our latest donation from Kroger was in the amount of \$573.62.

While it's exciting to watch these numbers rise, we're just not getting our message across to everyone. Between the number of parent/guardian and faculty/staff families at our Indianapolis Classical Schools campuses, we could have as many as 1,000 households participating.

If we were to get 100% participation from all of our families, based on our current earnings, ICS could be receiving an average of \$13,000 every year from Kroger – with absolutely no effort from any of us after the initial sign-up.

Can we count on you now, to take just a few minutes to go to the Kroger Community Rewards website and enroll in the program?

Here's how to get started with Kroger Community Rewards:

- 1) Go to the Kroger Community Rewards website at <https://www.kroger.com/account/enrollCommunityRewardsNow/> and Sign in or create your account.
- 2) Select Indianapolis Classical Schools as your chosen organization - Search for Indianapolis Classical Schools or our organization number, 35633 in the "Find an Organization" window.
- 3) Shop! - Be sure to use your Kroger Plus Card or enter your Alt ID with every purchase!

Interested in Substitute Teaching?

We are always interested in adding to our list of substitute teachers. If you are passionate about education and have a college degree, we'd love to have you sign up as a substitute teacher at Herron High School and Riverside High School. Please contact Cheryl West for more information at cwest@herronhighschool.org
